Both cards are created the same way. The Whimsical Tree card is smaller because it uses 8 1/2" x 11" Cardstock.

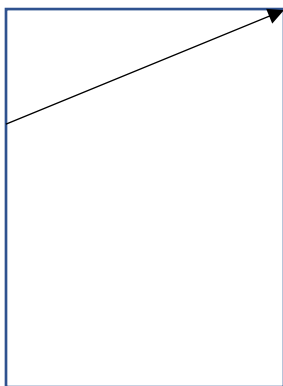

## Peaceful Deer Cutting & Scoring Dimensions

- Card base - 5 1/2" x 12", score at 4 1/4" and 8 1/2", z-fold, small flap should be front with fold on right.
- Basic White card stock - 5 1/4" x 4"
- DSP - 5 1/4" x 4" and 3 1/4" x 3 7/8"

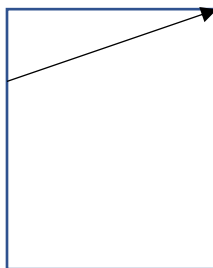

DSP #2 = 5 1/4" x 4" Measure down at 2 1/2" and cut on the diagonal.

On the 5 1/4" x 4" piece measure at 4" and mark with a pencil. Trim at an angle to the corner. Pay attention to the side of your DSP. Cut 1 of DSP and 1 of Basic White or Very Vanilla.

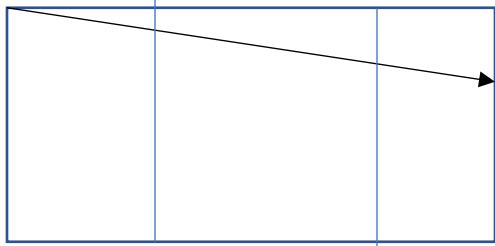

On the 3 1/4" x 3 7/8" measure down 2 3/4" and mark with a pencil. Trim at an angle to the corner. Pay attention to which side of the DSP you want showing.

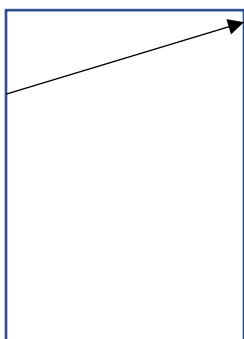

## Whimsical Tree Cutting & Scoring Directions

- Card base – 4 1/4" x 11", score at 4" and 8", z-fold, small flap should be front with fold on right.
- Basic White card stock - 4" x 3 3/4"
- DSP - 4" x 3 3/4" and 2 3/4" x 3"

Score at 4" and 8" Measure down 2" and cut on the diagonal.

On the 3 3/4" x 4" piece measure down 1" and cut on the diagonal. Cut 1 of DSP and one of Basic White or Very Vanilla.

On the 2 3/4" x 3" piece measure down 1" and cut on the diagonal. Pay attention to the side of DSP you want showing.
