Score your 5 3/4" X 11" piece of cardstock at 10.5", 6", 5 1/4", flip and score at 3/4".

Turn the cardstock and score lengthwise at 5".

Cut the bottom flaps as shown.

Decorate the front, back and side panels using your patterned paper or stamped panels as you wish. Adhere the panel to the front but not the back.

Using a die cutting machine punches, cut a shaped notch in the center of the front of the box. A die is the easier cut.

Fold and assemble the box. Use Tear & Tape to seal side and bottom of box. Add the ribbon handles using brads.

Once assembled, adhere your back and side panels to the pocketbook.

Embellish the pocketbook as desired.
